School Drama Date

The school play is scheduled to take place on the evening of Thursday, June 1, at 6:30 this year.

School Drama

Parts for the school play have been assigned to the students. If for some reason, a student is unable to take part, please let their teacher know as soon as possible. Some of the older students will need to practice and memorize their lines at home. We appreciate any help that parents can offer so the students are prepared for the performance.

An e-mail has been sent out regarding the costumes for the play for each of the students. If you have not read through it, please do so and let us know if there are any questions.

If it is possible, please start bringing in their outfits for the play by the end of the week, so we can see where any help is needed.

Construction Activity at SOTH

Last week the construction began for the cell tower that will be set up on our church/school property. For the most part it will not affect the school and students with the end of the school year around the corner, but the following safety measures will be in place.

-Fencing will be set up around any work or staging areas to prevent any students from entering.

-Walkways will still be available for drop off, but we will also leave the chain open if parents would prefer to drop off students right at school.

-Not much will change with student pick up, but teachers will ensure that students safely walk to the front parking lot and avoid any construction areas.

If there are any questions, please speak to Mr. Vogel.

Sea World Field Trip

This week Friday is our field trip to Sea World. If you have not done so, please return the permission slip and money for the trip. It is \$6 per person. We will leave around 8:30 once all students have arrived. There is no charge for parking, and students can bring along a sack lunch. We will be leaving around 1:30 to return to school.

Mrs. Draper's Retirement

As many of you know, Mrs. Draper is retiring at the end of the school year. We are planning a celebration of all her years of service at Shepherd of the Hills on June 17 at 4:00. All families are encouraged and invited to come.

Pictures

Please take a moment and look over your pictures from this school year and send any good ones to Amy Stevens at aestevens06@yahoo.com. I will send more information regarding ordering a yearbook by next week.

Beach Party

Next Friday, June 2, is our first beach party of the year. We meet at the south end of Mission Beach around 5:00 PM (or earlier) at one of the fire pits. Bring your own meat, drinks, and a dish to pass. A grill will be provided as well as a bonfire. If you'd like more information or directions, please talk to Mr. Vogel.
