PARENT/TEACHER CONFERENCES

Parent/Teacher conferences are scheduled for this week. There is an online sign-up for parents to schedule their conference. The link is attached to the e-mail. If you are unable to meet that week or would like to talk to your child's teacher sooner, please speak with your teacher to set up another time that would work for you.

BASKETBALL PRACTICES

We will be starting basketball practice after Thanksgiving break. Due to the makeup of the team, third grade will NOT be participating in basketball this year. Practices will be held on Mondays and Wednesdays from 3:00 – 4:00. Also, for planning purposes, if your child is in the upper grade classroom and is not planning on participating, please let Mr. Vogel know.

LEGO LEAGUE

This past Saturday our Lego League team competed at Preuss School in La Jolla for the chance to move on to the regional competition at Lego Land. They did a great job and were able to qualify as an alternate if another team is unable to attend.

C-HAWK FOR A DAY

This week Friday, November 17, we have our C-Hawk for a Day event. California Lutheran High School, located in the Temecula area, has invited the school to spend the day on their campus. We will join them for their daily chapel, a children's theater – Hansel and Gretel, lunch, and carnival games. Attendance is optional for those families that are not comfortable with their younger ones traveling this distance.

If you have not returned the permission slip, please do so as soon as possible. Also, a reminder that we are leaving at 8:15. Please have the students to school by 8:00 so we may ensure all students have arrived, get organized, and hit the road.

THANKSGIVING MEAL

On Monday, November 20, we will have our annual Thanksgiving meal for the school. I have sent a link with the outgoing newsletter e-mail to sign up for providing different foods for the dinner. Parents are invited to come and help out with the preparation and clean up to give the kids a great Thanksgiving meal. There is no hot lunch cost for this meal.

VISION SCREENING

This week Thursday, November 16, grades K-5 will have their vision screened. If there are any parents of children not in these grades that would also like their child to be tested, please let us know. Please inform us if you would NOT like your child to be screened.

CHILDREN'S CHRISTMAS SERVICE

We are starting to plan the Children's Christmas Service which is held on December 17, at 9:00. This is a very special service as the students lead the entire hour with songs and recitation. If your children are unable to participate, please let us know, so that we can plan accordingly.

COWLES MOUNTAIN HIKE – UPPER GRADE CLASS

A permission slip is attached for our annual hike up Cowell's Mountain for the upper grade class on Tuesday, November 21. Please sign and return the form as soon as possible. We will be leaving around 12:20 and returning before school is done.

THANKSGIVING SERVICE

All students will be singing next week Wednesday, November 23, for our 7:00 Thanksgiving service. This is an optional singing service since it coincides with a holiday. If you are unable to come, please let either teacher know, so we can plan accordingly.

Everyone is invited for appetizers beforehand at 6:00 and pie following the service.

SOCCER DAY

Please keep an eye out for an e-mail regarding our upcoming Soccer Day, which will be held in Temecula on December 1 for grades 3-8.

OPEN CLEANING WEEKEND

We have an upcoming cleaning weekend that is open during Thanksgiving weekend. If there is a family that would like to volunteer to clean, please contact Mr. Vogel. We will pay \$30 for a family to cover this spot.
