CHILDREN SING

All students are up for singing this coming Sunday at our 9:00 service. They will be singing “The First Song of Isaiah” with the choir and congregation. If you are unable to make it, please speak to either teacher to let them know and the reason.

BOX TOP ORDERS

Our next Box Tops deadline is November 1. If you have been saving them at home, please bring them in so they may be clipped, counted, and mailed before the deadline. There is a box in the library where they may be turned in.

FAMILY CHAPEL

Just a reminder that every Wednesday we have our family chapel starting at 8:15. What a great way to recharge during the middle of the week with some comforting and reassuring words from Scripture. Parents are invited to attend and stay afterwards to grab a cup of coffee before you start your day.

CALENDAR REMINDERS

Just wanted to take this opportunity to remind everyone of some upcoming dates for Shepherd of the Hills.

- There is no school on November 1 and 2 for teacher’s conference.
- There is no school on Friday, November 10 for Veteran’s Day.
- The entire school has been invited to “C-Hawk for a Day” at California Lutheran High School for Children’s Theater on November 16. More information will be sent home at a later date. We will need some drivers, so please consider if you are able to help in that regard.

JOINT REFORMATION SERVICE

This year is the 500th anniversary of the Lutheran Reformation, and we are celebrating with a special joint afternoon service being held at Sea Lutheran Church in Carlsbad at 4:00. The children also have an opportunity to sing as part of a children’s choir at this service. If you have any questions, please speak to Mr. Vogel.

LEGO LEAGUE

Just wanted to remind parents to keep an eye on their e-mail for any updates regarding the Lego League practice schedule. The competition (November 11) is only three weeks away, and there will be plenty for the team to do to be prepared.

HEAT WAVE

For anyone that is keeping an eye on the weather, you probably have noticed that the next couple of days are supposed to be in the 100's. Depending on the temperature, we will sometimes stay in the AC during recess or have limited outside recess time. Students are welcome to bring hats and sunglasses to wear during recess.
