## BASKETBALL PRACTICES

We will be starting basketball practice this week. Some weeks we will have practice on Mondays and Wednesdays, and some weeks it will be on Tuesdays and Wednesdays. Please keep an eye on the calendar and newsletter to keep track of the practice days. Practices will always run from 3:00 – 4:00.

## CHILDREN’S CHRISTMAS SERVICE

We are working on the Children’s Christmas Service which is held on December 17, at 9:00. This is a very special service as the students lead the entire hour with songs and recitation. Students will be working on their memorization of their speaking parts and songs. Any help at home with this is greatly appreciated.

## CHILDREN’S CHRISTMAS SERVICE – PRE-SERVICE MUSIC

During the Children’s Christmas Service, we invite those students that can play piano or another instrument to play a Christmas selection for the pre-service. We do ask that they have two or more years playing that instrument. If your child would like to participate, please e-mail me the song selection by December 13.

## SOCCER FUN DAY

This week Friday is our Soccer Fun Day for grades 3-8. I have sent out an e-mail of what color shirt they should wear for their team. Students may wear shin guards and cleats (not baseball cleats), but are not required. Students should also bring along a sack lunch and water bottle. We will leave at 8:00, so please have the students here by 7:45. We should return home by 3:00. Finally, I need to plan drivers for this event. If you are able to drive, please send me an e-mail or text to let me know and how many people you can bring.

## BOOK ORDERS

Scholastic book orders were sent home last week with the students. The more books purchased through the book orders, the more points we can use to add books to our library. Orders and payments should be turned in by this week Wednesday. Checks should be made out to Anna Vogel.

You can also place your book orders online by using the code: DZFFJ. The same due date applies to online orders.

We are sending home the November and December orders. If you would like to place any order for Christmas presents, this would be the one to do so. Orders will be received before Christmas break. Also, if orders are presents, please let Mr. Vogel know so he won't give them to the students when they arrive.

## PARKING LOT WORK

The week of **December 4-8**, we are having a large amount of work done to update our parking lot. This is exciting as it will give the students new blacktop to use for basketball and recess. We will have a specific routine for pick up and drop off during this time period. The west side of the parking lot will be available for use throughout the week, and we will use it for drop off and pick up. An image is located below to give directions. We will need to have a line of cars that moves through. If you need to park and speak with the teachers, we ask that you would park on the street or the neighboring parking lot and walk over.

One item that can change the scheduled dates is if there is any rain. I will keep parents informed through e-mail if there are any changes. Thank you for your patience.
