BASKETBALL PRACTICES

There are no basketball practices this week due to the work being done on the pavement.

PARKING LOT WORK

This week, we are having a large amount of work done to update our parking lot. This is exciting as it will give the students new blacktop to use for basketball and recess. We will have a specific routine for pick up and drop off during this time period. The west side of the parking lot will be available for use throughout the week, and we will use it for drop off and pick up. An image is located below to give directions. We will need to have a line of cars that moves through. If you need to park and speak with the teachers, we ask that you would park on the street or the neighboring parking lot and walk over.

CHRISTMAS PRESENTS – CHRISTMAS PARTY

I will be sending out an e-mail this week regarding what each classroom will be doing for Christmas presents for our Christmas Party on December 21.

FINAL LEGO LEAGUE MEETING

The final Lego League meeting is this week Friday, December 8, from 3:00 – 4:30. We will be wrapping up the season and have a pot luck type where students can bring in different dishes, snacks, or treats to share with the rest of the team.

CHILDREN'S CHRISTMAS SERVICE

We are working on the Children's Christmas Service which is held on December 17, at 9:00. This is a very special service as the students lead the entire hour with songs and recitation. Students will be working on their memorization of their speaking parts and songs. Any help at home with this is greatly appreciated.

CHILDREN'S CHRISTMAS SERVICE – PRE-SERVICE MUSIC

During the Children's Christmas Service, we invite those students that can play piano or another instrument to play a Christmas selection for the pre-service. We do ask that they have two or more years playing that instrument. If your child would like to participate, please e-mail me the song selection by December 13.
