BASKETBALL GAMES

This Thursday we have a basketball game against Concord Academy that will be played at CLHS in Wildomar. Students will eat an early lunch and we are planning on leaving at 11:30. I hope to return to school by 4:00, but it will depend on the traffic we hit on the 52. I will attach a link to a Google Form with the newsletter e-mail to sign up for driving.

BASKETBALL UNIFORMS

If you have not done so, please sign and return the Basketball Uniform Responsibility Form as soon as possible.

BOOK ORDERS

Book orders were sent home last week. Please return the orders or place them online by this week Tuesday, January 16.

Online code: DZFFJ

END OF THE SECOND QUARTER

This week Friday is the end of the second quarter, and report cards will be sent home next week.

ART FAIR

CLHS will be hosting an Art Fair during the BB tournament weekend, February 18. If students would like to enter a project, they should bring their project in to school by Wednesday, February 14. They may enter a two or three-dimensional item.

For those that would like to participate, you might want to start thinking about a project to make or what you would like to enter.

SCHOOL STRENGTH - INDIVIDUALIZED INSTRUCTION

Low teacher to student ratio and a multi-grade setting that allows teachers to focus on student’s strengths and individualize instruction for

student’s weaknesses. Our Multi-Grade Classrooms provide the perfect setting for teachers to work one-on-one with students to best meet their needs.

Students in lower grades observe instruction from classes above and can learn above what would be “normal” for their grade level. Students who may struggle with a concept can listen in on lower grade instruction to receive review in that area.

Have you ever had a parent ask how multi-grade classrooms work? Point them to the school website where we have put together two videos to help parents see the benefits. It is located under the “Academics” heading by clicking on “Multi-Grade Classroom”.
