13 – McCarlson

20 - Bradburn

UPCOMING EVENTS

Monday: Basketball Practice
3:00 – 4:00

Wednesday:

- Family Chapel
- Basketball Practice 3:00 – 4:00

Thursday: Away basketball game at Reformation (SD)

WELCOME BACK

We pray that everyone had a blessed and relaxing Christmas break. We welcome all of the students back with school starting on January 8.

JANUARY CALENDAR

I have attached a hard copy of the school calendar for the month of January. Please keep an eye on the basketball practices, games, and tournaments for the month.

BASKETBALL GAMES

Our first basketball game is this week Thursday. It is an away game at Reformation which is located in Clairmont. We will be leaving right after lunch around 12:20, and we should return by 3:30 depending on traffic. Students should bring all of the needed attire and may +change after they eat lunch.

We will most often play two games, boys and girls, for our scheduled games. We ask that parents and players stay for both games to ensure that we have enough drivers to transport students back to school, and to cheer on our school's teams. If there is a reason why a student needs to leave early, please communicate that to Mr. Vogel before the game.

I have sent out a google form with the newsletter e-mail to sign up for driving. This is very helpful for planning purposes to ensure that we have enough drivers for the games.

BASKETBALL UNIFORMS

Basketball uniforms will be handed out to the students this week. They will also receive a form that should be read over, signed, and returned to Mr. Vogel. This form will go over the responsibility of caring for the uniform throughout the season.

BOOK ORDERS

Book orders will be sent home this week. Please return the orders or place them online by next week Monday, January 15.

Online code: DZFFJ

END OF THE SECOND QUARTER

Next week Friday is the end of the second quarter, and report cards will be sent home the following week.

NO SCHOOL – MLK DAY

There is no school next Monday, January 15, for Martin Luther King Jr. Day.

SCHOOL REVIEW

It is clear that the best way to promote our school to others in the community is through word of mouth. People expect the principal and faculty to talk highly of a school, but hearing it from a parent who sends their child is much more powerful and effective. We have identified specific strengths of Shepherd of the Hills Lutheran School. Our next goal is to promote those strengths to families in our community.

Throughout this month, I will be sharing those strengths in the newsletter in hopes that they can be helpful when you speak to another parent about our school. Also, feel free to give out my e-mail or phone number to prospective parents. I am happy to talk to parents about Shepherd of the Hills and what our school can offer their children and family.

Finally, to reach more families, we will be asking parents to take 5-10 minutes to write out some online reviews. Links and directions will be included in weekly e-mails to make it as seamless and easy as possible. We appreciate your help, and look forward to continuing this partnership of Christian education with you.
