ART FAIR

Shepherd of the Hills did exceptionally well at the Art Fair with a number of grand champion awards. We would like to display these projects at church for others to see their amazing work. After this, we will send the projects home with the students.

BOX TOPS

If you have a collection of Box Tops at home, please bring them in as a new deadline approaches. We need to have them clipped, counted, and postmarked before the end of the month.

CALENDAR CHANGE

The Track Meet has been moved from May 5 to May 19 due to a conflict with the availability of the track that we use each year.

VISITOR IN THE UPPER GRADE CLASSROOM

This week we will have a visitor in the upper grade classroom. Megan Garvin is studying to be a teacher and is in need of some classroom experience and observation. We look forward to having a SOTH alumni spend the week with us and assist in the classroom.

UPPER GRADE FIELD TRIP

The upper grade class has been invited to see the musical performance of “Fiddler on the Roof” at CLHS on Friday, March 16. I will send a permission slip home next week, but I wanted to start gathering input on how many parents might be interested in attending and driving. Please send me a text or email stating whether or not you are interested.

RE-ENROLLING FOR NEXT SCHOOL YEAR

The inquiries from families looking for a school next year have started. We need to begin planning for enrollment next school year to clearly communicate to prospective families how many spots are available in our classrooms. I sent out a link for parents to fill out to let us know your plans for next school year.

Registration for the 2018-2019 school year is now open and you can receive the early-bird discount registration fee of \$275.

SCHOOL STRENGTH - COMMUNICATION

We believe that it is beneficial for each student if there is good communication between the parents and teacher. We continually communicate with our families through many means and are always available to talk whether face to face, email, phone, or text. You will even find the teachers out front at pick up every day and are always available to talk and answer questions.
