ART FAIR

CLHS will be hosting an Art Fair during the CLHS BB tournament weekend, February 18. If students would like to enter a project, they should bring their project in to school by Wednesday, February 14. They may enter a two or three-dimensional item.

For those that would like to participate, you might want to start thinking about a project to make or what you would like to enter.

SCHOOL STRENGTH - CURRICULUM INFUSED WITH GOD'S WORD

Students at Shepherd of the Hills are taught God's Word throughout the curriculum. We start with instruction on the teachings and lessons of the Bible to learn about how God loves and cares for them enough to send his Son to die on the cross for us. Students are able to use their musical abilities to sing praises to God throughout the school year. We also use God's Word to teach all aspects of our curriculum so that the student continues to grow in faith and spend eternity with their heavenly Father.
