MR. VOGEL RECEIVED A CALL

I have received a call to teach grades 6-8 and serve as principal in a suburb of Denver, CO. Over the next week and a half through prayer and deliberation, I will be deciding whether to continue to serve here in La Mesa or serve in Denver the following school year.

I appreciate any prayers during this time as I consider where I can best serve the Lord and His kingdom. If you have any thoughts or questions, please feel free to call, text, e-mail, or talk to me in person.

WORK DAY – THANK YOU

Thank you to everyone who was able to come out and help with the laying of the pavers for the new school lunch area. Please take some time this week to check it out. The new picnic tables will be delivered this week, and the final phase is to install sun sails to provide shade for the students while they eat.

TRACK MEET

Each year we take part in our annual Track Meet held in Garden Grove. This year the Track Meet is held on May 19. Students from grades 1-8 can participate in several track and field events. We will hold practices during the school day in conjunction with recess and PE. Please talk with your child to see if they plan to participate and attend the Track Meet.

STAR WARS DAY PARTY

On May 4th, THIS FRIDAY, we will be hosting a Star Wars party starting at 5:00. Please bring your families to come enjoy some fun and fellowship. Children and adults can dress up as their favorite Star Wars character and bring their “blasters” and lightsabers. We will also have a Star Wars Lego building competition as children can bring their own creation to

display. The school will provide the pizza and popcorn, and families can bring a side, dessert, and drinks. Finally, we will end with watching a Star Wars movie.

JUMP ROPE FOR HEART

This year we will be again participating in Jump Rope for Heart. Students will have an opportunity to raise money to help those that have heart issues and take part in a jump rope event on May 11. Information was sent home for parents to

look over and discuss with their children if they would like to participate in the fund-raising efforts. This is optional for all students. If you have any questions, please let me know or check out the website: www.heart.org/jump.

SCHOOL POLOS

If you are interested in placing an order for a polo please do so by May 1. If you would be interested in ordering one, please let Mr. Vogel know how many and what sizes. There are women's and men's polos available. The cost is \$20/polo.
