## MR. VOGEL RECEIVED A CALL

I have received a call to teach grades 6-8 and serve as principal in a suburb of Denver, CO. Over the next week and a half through prayer and deliberation, I will be deciding whether to continue to serve here in La Mesa or serve in Denver the following school year.

I appreciate any prayers during this time as I consider where I can best serve the Lord and His kingdom. If you have any thoughts or questions, please feel free to call, text, e-mail, or talk to me in person.

## TRACK MEET

Each year we take part in our annual Track Meet held in Garden Grove. This year the Track Meet is held on May 19. Students from grades 1-8 can participate in several track and field events. We will hold practices during the school day in conjunction with recess and PE. Please talk with your child to see if they plan to participate and attend the Track Meet.

## SCHOOL PLAY

Our school play is scheduled for May 31 starting at 6:30. Students have their parts and their lines to memorize. Keep an eye out for an email regarding costumes for the students. We ask that parents help them with the costumes. If you need any help or assistance, please talk to their teacher. We appreciate any help that parents can offer so the students are prepared for the performance.

## STAR WARS DAY PARTY

Thank you to everyone who was able to participate in our Star Wars Day Party this past Friday. I hope everyone had a great time and everyone has "recovered" from the many light saber battles.

## JUMP ROPE FOR HEART

This year we will be again participating in Jump Rope for Heart. Students will have an opportunity to raise money to help those that have heart issues and take part in a jump rope event on May 11. Information was sent home for parents to look over and discuss with their children if they would like to participate in the fund-raising efforts. This is optional for all students. If you have any questions, please let me know or check out the website: [www.heart.org/jump](http://www.heart.org/jump).
