PASSAGE OF THE WEEK

Proverbs 9:10 – The fear of the Lord is the beginning of wisdom.

HOT LUNCH

No Hot Lunch this week.

CLEANING

17 – Stevens (Neil and Amy)

24 - OPEN

UPCOMING EVENTS

Wednesday: Chapel

Friday: C-Hawk for a Day

Saturday: Lego League Practice

LEGO LEAGUE

Congratulations to our Lego League team who won first place in the robot design competition and placed in the top six for the overall competition. This means that they qualify for the next round of competition that will be held at Lego Land on December 8.

If anyone is interested in cheering on the team and want to get cheap tickets to Lego Land, our spectators can buy tickets for \$38/person. We do need to order and purchase them in advance; therefore, if you would like to purchase tickets, I need to know how many and the money by November 26. If you would like to write a check you can make it out to Shepherd of the Hills.

For the students in Lego League, we will have a practice this Saturday from 9:00 – 11:00 to keep working on the robot missions and our real-world solution. There is no practice this week Friday.

PARENT/TEACHER CONFERENCES

Parent/Teacher conferences are scheduled for this week. There is an online sign-up for parents to schedule their conference. The link is attached to the e-mail. We will be closing the sign-up form on Monday evening, so the teachers can plan their schedule for the week. If you are unable to meet this week or would like to talk to your child's teacher sooner, please speak with your teacher to set up another time that would work for you.

C-HAWK FOR A DAY

This week Friday, November 16, the 6th-8th grade class will be participating in the C-Hawk for a Day event. Our students will be able to experience a day in the life of a CLHS student as they check out different high school classes. The 4th grade will join Mrs. Ross's room this day. Please sign and return the permission slip as soon as possible.

THANKSGIVING MEAL

On Monday, November 19, we will have our annual Thanksgiving meal for the school. Keep an eye out for an email to ask for dishes for families to bring for the meal. Parents are invited to come and help with the preparation and clean up to give the kids a great Thanksgiving meal. If you are willing to help set up, serve, or clean up, please make note of it on the Google doc. Please sign up by Wednesday so we can plan accordingly. Finally, please bring all items fully prepared to the MP room on Monday morning or by 11:30 a.m.

VISION SCREENING

On Monday, November 19, grades K-5 will have their vision screened. If there are any parents of children not in these grades that would also like their child to be tested, please let us know. Please inform us if you would NOT like your child to be screened.

CHILDREN'S CHRISTMAS SERVICE

We are planning the Children's Christmas Service which is held on December 16, at 9:00. This is a very special service as the students lead the entire hour with songs and recitation. If your children are unable to participate, please let us know, so that we can plan accordingly.

COWLES MOUNTAIN HIKE – UPPER GRADE CLASS

A permission slip is attached for our annual hike up Cowell's Mountain for the upper grade class on Tuesday, November 20. Please sign and return the form as soon as possible. We will be leaving around 12:20 and returning before school is done.

THANKSGIVING SERVICE

All students have the opportunity to sing next week Wednesday, November 22, for our 7:00 Thanksgiving service. This is an optional singing service since it coincides with a holiday.

Everyone is invited for appetizers beforehand at 6:00 and pie following the service.

BASKETBALL PRACTICES

We will be starting basketball practice after Thanksgiving break. The major practice will be held on Mondays from 3:00 – 4:30. We are still coordinating the other practice during the week, but it will most likely happen during the school day during recess/PE.
