## REFORMATION BASKETBALL TOURNAMENT

Coach Garvin sent an email last week about the upcoming basketball tournament at Reformation. You should be able to find the schedule and addresses in that email. The first games of the tournament are this week Friday with the girls first game at 4:00 and the boys at 6:00. Since the games are not during the school day, it is up to the parents to coordinate rides if they are needed to the games.

## CALENDAR UPDATE

On the yearly calendar, you will see a half day on January 25 for the Reformation Tournament. Since our first game is not until 4:00, we will instead have a full day of school.

## CHILDREN SING

All students will be singing this coming Sunday, January 27, at the 9:00 service. A reminder that if you are unable to make it, please let your child's teacher know ahead of time.

## NO SCHOOL

There is no school next Monday to provide a break from a long weekend at the basketball tournament.

## END OF THE SECOND QUARTER

Last week Friday was the end of the second quarter, and report cards will be sent home this week.

## ART FAIR

Shepherd of the Hills participates in an Art Fair each year where students can create a two- or three-dimensional art project to display at the CLHS basketball tournament. This year the art projects will be turned in the weekend of the tournament but will not be displayed and judged until the Fine Arts Fair which is held on April 6<sup>th</sup>.

For those that would like to participate, you might want to start thinking about a project to make or what you would like to enter.

## SMALL GROUPS - PARENTING

The small group Bible study held at the Vogel house will be starting back up this week. We meet on Tuesday nights starting at 6:30. This week we will be looking at one of the most important parts of parenting – having a strong marriage. If you are interested in attending, please let me know.

## SHOW LOVE FOR YOUR SCHOOL

Now is the time that most prospective families are looking for a school for their child, so now is the time to show some love for Shepherd of the Hills and here are some ideas how:

1. Have any friends or neighbors looking for a school? Tell them about Shepherd of the Hills, have them check out our website, or give them my contact information.
2. Have you shared the blog post about Shepherd of the Hills on San Diego Mommy Blog? I will be sharing it again later this week. It does a great job of sharing what makes Shepherd of the Hills a special school.
3. Have you given an online review of the school lately? There are all sorts of avenues to show love for your school online: Yelp, Google, Facebook, PrivateSchoolReview, and GreatSchools.org.
